Dear Vendor,

Please fill out the following information and provide any pertinent documentation. Please keep in mind that this is a fundraiser.

**Please note:** we understand that we have vendors with very specific requests and needs. We do require, on your application, that you provide as MANY details as you possibly can to describe your business, your inventory, and your pricing intentions. If we have too many of a specific vendor OR a vendor has requested they be the “only” vendor to supply a specific item, your application may be denied. We hope to provide an approval or denial within 24-48 hours following the receipt of your application. However, we have had an overwhelming response to our competition and we ask you to be patient as we navigate the influx in applications we receive.

Our sole purpose as a company is to raise as many funds for those who are in need. Our beneficiary, Melissa Sanzari, was diagnosed with Breast Cancer at the age of 32. She, at the time, had a nine month old son, Nathan. All she wanted to do was be a mom and take care of her son and she expressed to us that she felt that dream was slipping away. Therefore, our company decided to act and provide Melissa with as much financial support that we could so that she could focus on her dream.

Though we know that your focus is to gain funds for your company, we know that cancer has touched many families and the will to help has been so generous and honestly, impressive. If your company wishes to be associated with donations or sponsorship, please indicate that as well so that we can include you on the sponsorship page, banner and marketing material.

Thank you in advance for your attention to detail as you fill out the following application and agreement!

Yours in success,

Aimee Demarest Hopka
